Dear parents,

Learning to swim is extremely important for children and a major concern for the city of Offenburg. For this reason, the municipal council has already decided in 2019 that six-year-old children in Offenburg will receive special support.

For this reason, all Offenburg children who turn six in 2026 will again receive a voucher worth 60 euros this year. The voucher significantly reduces the cost of the swimming course.

You simply present the voucher together with proof of age when registering. If you have a family pass, the voucher value even increases to a total of 100 euros. To do this, you must also present the family pass when registering. The voucher is valid until 31.12.2029 and can be redeemed at the following providers:

- DLRG Ortsgruppe Offenburg e.V.
- Offenburg Swimming and Sports Club e.V.
- Adult Education Centre Offenburg e.V.
- BSG Offenburg

Please note that a cash payment of the voucher value is not possible.

The City of Offenburg would be very pleased if as many children as possible took advantage of the vouchers offered by the City of Offenburg and took part in the activities offered by the three clubs.

Please contact the respective provider directly for registration
